Anderson's Bazaar.

ur customers always find our Goods just as they are represented to be:—Honest Goods at Honest Prices, which are always the lowest.

No patron of the BAZAAR ever accuses us of selling goods cheaper to their neighbor than to themselves. We don't do business that way.

Preserved acknowledges that our system of selling goods—"ONE PRICE TO ALL"—is the only honest way of doing business. Try us once.

Prices are always the lowest at the BAZAAR, because a store that does a "One-Price-to-All" business must have the lowest price, or lose trade.

Reason teaches all that the place to buy goods cheapest is at a "One-PriceStore" because all goods are marked as low as they can possibly be sold.

If you have never patronized the BA-ZAAR, it is time for you to pay us a visit and examine our goods—our prices will do the rest.

heapest goods are not always those that are lowest in price. Our goods are cheapest because they are the best that can be bought for our prices.

ery article in the BAZAAR is marked in plain figures, and here is where your child can buy goods as cheaply as in plain figures, and here is where your child can buy goods as cheaply as yourself or anyone else.

The "ONE-PRICE-TO-ALL" system and "Honest Goods at Honest Prices" is "HONEST GOODS AT HONEST PRICES IS winning new friends for the BAZAAR and "SARA 4" ME" every day.

Our Ladies, Misses and Childrens Shoes are all Solid Leather, Honestly Made, and are much cheaper than those made with pasteboard and paper insoles.

A II who want Dry Goods, Notions, Dress Goods, Dress Trimmings, Fancy Goods and the latest Styles in Millinery, can no doubt be suited at the BAZAAR.

L ines upon lines of Goods are kept in the BAZAAR that we cannot enumerate here, but if you will visit SARA * ME, we'll take pleasure in showing you through.

ive, and sell goods to customers like we expected to meet them again and to serve all honestly and with polite-ness, is the earnest desire of
